

Important Notice to External Job Applicants

Dear Potential Candidates,

We've uncovered instances of unauthorized individuals posing as Cyient recruitment managers/team members, misleading job seekers by promising guaranteed positions within our company in exchange for payments. Some job portals and related agencies have misrepresented Cyient's brand without authorization, soliciting fees from prospective candidates. Scammers are duping job seekers into making unsolicited payments via various methods like cash, mobile wallets, credit cards, or bank accounts under the guise of job applications.

This activity is illegal and against our ethical standards. Cyient unequivocally does not request or accept any fees from candidates for recruitment. Any recruiting agency claiming association with Cyient should not charge you as a job seeker. We are steadfast in preventing fraudulent job offerings and uphold a zero-tolerance policy against unethical practices in our global talent acquisition.
