Cyient Foundation, (a not for profit charitable organization)

With offices at Plot No. 11, Software Units Layout, Madhapur, Hyderabad – 500081, India
(“Cyient Foundation”)

Cyient Foundation (formerly Infotech Enterprises Charitable Trust) executed on March 27, 2002, at Hyderabad in the former united Andhra Pradesh by its Founder & Executive Chairman B. V. R. Mohan Reddy. Since its inception almost 22 years ago, the Cyient Foundation has conceptualized and enabled various social initiatives.

Cyient Foundation is the corporate social responsibility (CSR) arm of Cyient Limited, a leading global engineering, manufacturing and digital technology solutions company. Cyient Foundation's mission is to achieve long-term, holistic development of society by supporting programmes that bring sustainable change to the country. These include Education & IT Literacy, Skill Development & Employment, Business-aligned social innovation, Community & Environmental Development , and Healthcare Systems.

Cyient Foundation in accordance with its Charter and Mission Statement, works with communities, governments, civil society organizations and other organizations in India on various social welfare initiatives. Cyient Foundation has been registered with GOVERNMENT OF INDIA, MINISTRY OF CORPORATE AFFAIRS for undertaking CSR activities in India with the Registration number “CSR00004617”. Cyient Foundation initiative goes beyond charity and it works with the belief that as a responsible non profit organization, works on high impact community development programs and implementing sustainable social interventions.

Over the past two decades, Cyient Foundation has delivered measurable outcomes at scale, supporting over 21,000 students annually across 35 government schools (with 56% girls), impacting more than 2.25 lakh children, and establishing 85 digital learning centers reaching 35,000+ students each year. Our initiatives have enabled 37,000+ individuals, including over 14,000 women, with digital literacy and employability skills, while training 5,000+ teachers in ICT, AI, STEM, and robotics. In the skilling domain, we have empowered 11,000+ women with ~85% employment outcomes, achieved 100% placement for rural women in flagship programs, and trained 2,000+ youth in IT/ITES with ~86% employment outcomes. Further, through pioneering initiatives such as the BVR School of Innovation and Entrepreneurship at IIT Hyderabad, we have enabled 2,500+ engineering graduates and strengthened innovation ecosystems across Tier-2 and Tier-3 institutions.

Cyient Foundation adoption of village program in the state of Andhra Pradesh provided overall development on non negotiable indicators like education, literacy, healthcare, sanitation, water conservation, safer drinking water, malnutrition, zero open defecation and etc.,

It is hereby notified that the Social Impact Assessment shall be carried out in consultation with the concerned Government Schools Administration, Local community and in Gram Panchayats where the impact is created.
