AWARD WINNING PRODUCTS AND IPS

Train Cabin Audio Alarm Unit

Our CE certified Train Cabin Audio Alarm ensures that no alarm raised for the driver goes unnoticed

Smart Power Distribution Panel (SPDP)

Developed completely in-house to meet the energy requirements with highest safety standards for commercial aircrafts

Custom ASIC

Our custom ASIC has enabled 20M people to hear better

Radar X-Band Transmit & Receive Module

Designed using hybrid PCB technology and off-the-shelf SMD components, this module reduces the product weight by over 20%

Software Defined Radio

Designed and built in India, our tactical radio in manpack and handheld form for Indian military operations.

Ready to use RT PCR TEST KIT

First-of-its-kind portable RT-PCR testing kit that enables rapid testing at scale.

EMPOWERING TOMORROW TOGETHER

SUPPORTING GRASSROOT EDUCATION

We support 18K+ underprivileged children through our Adopt-a-School and Adopt-a-college program

DIGITAL EMPOWERMENT

Helping associates discover their leadership styles and thereafter use their styles to empower associates to drive performance and solve complex problems.

IMPACTING LIVELIHOODS

We impart essential skills that enhance the employability of people in urban and rural communities through our Urban Micro Skill Centers (CUMSCs).

IMPACTING HEALTHCARE

We provide underserved communities with high-quality, innovative healthcare and sanitation interventions.

Cyient (Estd: 1991, NSE: CYIENT) is a leading global Technology Solutions company. We enable our customers to apply technology imaginatively across their value chain to solve problems that matter. We are committed to designing tomorrow together with our stakeholders and being a culturally inclusive, socially responsible, and environmentally sustainable organization.
