

Infotech Named to IAOP's 2012 Global Outsourcing 100 List

East Hartford, CT, February 21, 2012 (* updated July 19, 2012) — Infotech Enterprises, a leading global engineering services and solutions provider, has been named to The International Association of Outsourcing Professionals® annual ranking of the world's best outsourcing service providers and advisors.

The company has been selected in the Leaders category for the 2012 Global Outsourcing 100® service providers list which is comprised of the top 100 service providers globally.

"Infotech is honored to be ranked in the IAOP®'s top outsourcing provider list for 2012," said Krishna Bodanapu, President of Engineering at Infotech Enterprises. "We strive to be the strategic engineering services partner of choice and collaborate globally with industry leading companies to help them reduce time to market, optimize R&D costs and design more innovative products."

The Global Outsourcing 100 and its sub-lists are essential references for companies seeking new and expanded relationships with the best companies in the industry. The rankings are based on applications received and evaluated by an independent judging panel organized by IAOP®.

"Because of the rigorous application and acute judging processes involved, *The Global Outsourcing 100* and *The World's Best Outsourcing Advisors* rankings not only help companies make better-informed purchasing decisions, they raise the bar for excellence in the industry, said IAOP CEO Debi Hamill.

"In today's economy, it is more important than ever for outsourcing end users to be able to easily identify and select the right company for their outsourcing needs," said IAOP Chairman, Michael Corbett. "*The Global Outsourcing 100* and *The World's Best Outsourcing Advisors* lists are essential for companies who are looking for proven leaders and rising stars in the outsourcing industry."
